PROACT® Root Cause Analysis Training, Software & Consulting

PROACTOnDemand®

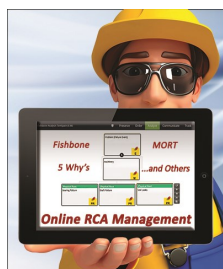

Mobile Friendly - RCA On the Go!

Reliability.com

PROACTOnDemand® - Now Mobile Friendly

Analysts can manage RCA on the go using their mobile devices. Sync your photos, recorded interviews, field notations and documents directly up to your PROACTOnDemand® dashboard. Automate RCA's *Faster!*

PROACTOnDemand can build an invaluable analysis knowledge base within your organization that will preserve your analysis data for years to come. Most RCA methods and systems such as MORT, 5Y's, Fishbone & Form Based are easily accommodated by the PROACTOnDemand infrastructure.

Purchase your subscription online. Experience the immediate benefits of PROACT® software without start-up costs and training. RCI's **PROACT® System** is designed to identify an organization's most significant annual

losses and then supplies the knowledge and tools to identify most of the causes of any undesirable event. The ultimate goal of any RCA is to eliminate recurrence of undesirable events and increase productivity, reliability and safety.

PROACTOnDemand® Annual Subscription

- Private and Secured OnDemand Analysis Database
- Collaborate & Produce Unlimited RCA Logic Trees
- Customizable Reports with PDF Creation & Print Options
- Accommodates Most RCA Methods and Systems
