Our Hardware Store Partner Advantage Program is a new way for you to extend your service, resulting in increased revenue for your store and a strengthened relationship with your customers.

About PartScription

PartScription is an in-store, telephone, and online service that helps homeowners maintain the value and performance of their appliances and equipment with replacement parts and accessories. We have consolidated relationships and offerings from some of our nation's largest, most experienced and sophisticated suppliers and retailers. Your customers receive a single-source solution with unmatched service features and capabilities designed with you and them in mind.

Our Hardware Store Partner Advantage

When you become an Authorized PartScription Partner, you will have access to the nation's most comprehensive selection of brand name parts and accessories spanning the appliances, home electronics, and lawn and garden equipment categories.

When your customer needs a part or accessory, you can quickly and easily access our system to find exactly what they need. They will have the option to pick up their orders at your store or have them shipped directly to their home. And by ordering through your store, your customers receive an industry-best 60-day return policy.

We provide you with an easy-to-use customer order and tracking system. Every customer order builds a history making future purchases even faster and easier.

As an Authorized Partner, you combine the value-oriented service you already offer with unprecedented access, convenience and ease. Together, we provide an integrated solution for your customers.

Benefits of Our Partnership

Authorized Partners receive many benefits, such as:

- New, profitable revenue
- Expanding your store offering with access to over eight million brand-name replacement parts
- No additional inventory investment or risk
- A unique and differentiated market position
- Becoming the single preferred starting point for equipment maintenance and repairs
- Saving time and money for customers while increasing foot traffic
- Capturing dollar amounts spent on parts, repairs, premature replacements

What We Provide

We provide access to over eight million parts and accessories including, but not limited to: Refrigerator Water Filters, Knobs, Belts, Shelves/Bins, Adaptors/Cords/ Chargers, Batteries, Remotes, Printer Ink and Toner, Lawn Mower Blades, Fuel Lines, Carburetor and Motor Parts.

Frequently Asked Questions

- **What's my profit?** You set price and margin. Average Net at MSRP: 20% for appliance and lawn & garden; 15% for home electronics. *Actual profits could be higher.*
- **How do I ring a sale?** Sales are rung on the PartScription system. We email your customer a receipt and shipment notification with tracking number.
- **What about returns?** Returns go back to PartScription, not your store.
