

TheNew FLAT RATE, inc.

TASK DESCRIPTION

TERMINOLOGY GUIDE

Anti-Icing System	- Frost proof fixture
Appliance Combustion Monitor	- C.O. alarm
C.O. Removal System	- Flu piping
Component Isolation System	- Cut off, stop, gate valves, ball valves
Component Support System	- Jbolts, flange, levelers
Easy Warm Protection System	- Heat tape
Element Restoration	- Electric elements
Emergency Temperature and Pressure Monitor	- T and P valve / pop off
Fuel Delivery System	- Gas valve
Fuel Distribution System	- Gas piping, whips and connections
High Pressure Control System	- Pressure switch
High Pressure Expansion Safety System	- Expansion tank
In-Home Backflow Protection System	- Air gap (Dishwasher)
Inline contamination clean up system	- Ice Machine Filter
Inline Waste Grinding System	- Garbage disposal
Isolation Control System	- Stop, cut off, gate valve, ball valve
Leak Protection Safety Pan	- Water heater drain pan
Loop Support System	- Dishwasher drain line strap
Mechanical Safety System	- High limits
No Drip / Can't Leak - Supply System	- Braided risers, supply lines
Power Clean	- Cabling, jetting, hot water cleaning
Premium Access	- Clean out, access panel
Pressurized Waste Removal	- Lift pump, lift station
Pressurized Water Removal	- Sump pump, condensate pump
Rinsing Station	- Laundry sink
Sanitary Connection Seal	- Wax ring, P-trap
Sanitary Waste Removal	- Drain lines
Sanitary Waste System	- Sewer lines
Temperature Control System	- Water heater thermostats, shower valves
Visual Pressure Monitor	- Water pressure gauge
Waste Treatment Service	- Citrus solve rinse / bio clean / drain treatment
Water Delivery Fixture	- Faucets, hose bib
Water Delivery System	- Fill valve, float, flapper, toilet handle, water pipes, well pump
Water Fixture	- Toilets
Whole House Pressure Control	- Pressure reducing valve
