# How To Prepare

1. Identify Your Support System
  - Study Groups, Blog Sites, If certifying, know what the test objectives are.
2. Prepare Your Study Plan
  - MOOCs, MVA, Udemy, Coursera, EdX, Lynda.com, etc.
  - Identify your end date and plan backwards
3. Schedule Your Self-Study and Stick To It
  - Set a regular but flexible schedule
4. Chart Your Progress
  - Reward yourself when you hit a goal
  - Share the accomplishment

# Studying CISCO Technologies

The screenshot displays the Cisco YouTube channel interface. At the top, the channel name "Cisco" is followed by a verified checkmark and a red "Subscribe" button with a subscriber count of 171,342. Below this is a navigation bar with links for "Home", "Videos", "Playlists" (which is underlined and highlighted), "Channels", and "About", along with a search icon. A secondary navigation bar includes a back arrow, a dropdown menu set to "Techwise TV", and a "Grid" view selector. The main content area features three video playlist thumbnails. Each thumbnail shows a person in a professional setting, a video count, and a title. The first playlist, "TechWiseTV | Episodes", has 51 videos and shows a man in a purple shirt. The second, "TechWiseTV | Fundamentals", has 34 videos and shows a man in a dark jacket. The third, "TechWiseTV | Networking101", has 2 videos and shows a man in a red shirt. Each thumbnail also includes the "Cisco" logo and a verified checkmark.
